Hello - Big news - David has
a tooth - at 5 1/2 months! We
have a cot (crib) for him at
last. We are all covered with
insect bites but now we
have some medicine for the
boys and I understand we'll
all build up resistance to the
mosquitoes + sand flies eventually.
I am having a great time
buying new clothes for this
climate - shorts, bathing suit.

Jan, James + Andrew climbed
up to the top of an old fortification
used by both British + French
troops - this island changed
hands 14 times during the
napoleonic wars.
Love,
Jan
